Dear valued member,

We at Meadville Community Theatre want to thank you for your support during this most recent year. We broke box office records due to the unflagging enthusiasm of our audiences, sponsors, and volunteers. Now we're back and ready to bring you more vivid, energetic, and bold productions next season.

Our 2023-2024 season is called "Tragically Enamored." Our Youth Theater production of *Boxcar Children* will be (fittingly) hosted by the historic Meadville Railroad Depot, and the cult favorite *Evil Dead The Musical* will be performed at the Voodoo Brewing Company. In the theater, our season includes *Drop Dead!*, *A Doll's House*, and a storytelling show featuring community members telling true tales from their lives. We also continue to support local playwrights; Ellen McCarthy's *Going Up* and my own *Chaos at the Wedding* will light up our stage in the spring. By becoming a member, you can support all of the ways that we bring creativity and aliveness to our area.

We invite you to become a member of Meadville Community Theatre today. Our membership drive runs through August 29, 2023. Make sure that MCT receives your donation by August 29 to receive full membership benefits for the 2023-2024 Season.

We encourage you to make your membership donation through Crawford Gives on August 27-29, 2023. By donating to MCT through Crawford Gives, you not only earn the benefits and rewards of being an MCT member, but you see a percentage of your donation matched by the Crawford County Heritage Foundation.

Meadville Community Theatre is part of the heart of our community. We thank you in advance for your dedication to helping us thrive.

Wishing you good health,

Joshua Searle-White
President, MCT Board of Directors
